

Our Mission is to make more and better followers of Jesus Christ.

How Do I Become a Christian?

Great question! It's one I've been asking the last 36 years of my life. I want to be a better student of Jesus. No matter what you've done, you can start to be a lifelong learner on the way with Jesus today. We're all in the same boat. *Romans 3:23* reminds us: "All have sinned and fall short of the glory of God."

I need a Friend and Leader, a Savior and Lord, to help redeem my past, guide my present, and secure my future. You do, too. *Ephesians 2:8-10* tells us: "God saved you by His grace when you believed. And you can't take credit for this; it is a gift from God. Salvation is not a reward for the good things we have done, so none of us can boast about it. For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago." There's no "secret formula." We simply say "Yes!" to Jesus and we enter into a process to become the masterpiece God already sees in us. Perhaps you could pray like this:

"Dear God, thank You for the gift of grace through Jesus Christ. I say 'yes' to Him today. Thank you for the way He offered Himself on the cross for me! Help me become the person You say I am, O Lord. Amen."

If you've made the commitment today to follow Jesus, please stop by the Welcome Desk in the Lobby to pick up your "Yes!" Bible & information.

Your Church Staff

Shepherds of biblical times carried staffs to guide and protect their flocks. Today we think of a "staff" as a team of people working together. Both examples suggest the importance of a partnership of people God can use to help others in need. Your Church staff is made up of part-time and full-time employees of the Church and what we refer to as "volunteer staff". These people, along with so many others who volunteer in service, are a Church family and a team in ministry doing God's work for you and alongside you. "Living Out the New Hope"

1 Peter 1: 17-25

Welcome! Thanks for worshiping with us today.

The Bible's "one another" commands provide a picture of how we are to support, encourage and love each other. Jesus told His followers how we treat one another shows the world to whom we belong.

- In a high-tech but low-touch world, people can't help but notice when a group of people exhibit such loving relationships...
- Producing a yearning and even an anticipation to experience the same in their own lives.
- Worship becomes a priority.
- People actually look forward to coming together.
- Developing a strong relationship with Christ and with one another is our foundation, the source of our strength, and our motivation!
